# **Facts**

You should never ignore the importance of clients satisfaction. There are dozens of factors contributing to the success (or failure) of a business or individual, clients satisfaction is one of them. It's important to track this factor and work on improving it in order to make your clients more loyal and eventually turn them into brand ambassadors.

# Resume

As a freelancer web & graphic designer, I have developed advanced skills. For example, I have worked with Cooking Studio by Umme who has 2.0 Million and above subscriber, I made some intro videos for her youtube recipe channel. I have worked for some well known companies too and build their website and modify their templates etc. In conclusion I just want to assure you that you might not regret if you hire me.
